A 100	Continued From page 1 Building Code, at least one general use toilet with a hand washing station. Chapter 59A-9.022, F.A.C. This STANDARD is not met as evidenced by: Based on observation and interview, minimum standards of construction and specified minimum essential physical plant requirements were not met as evidenced by the hand washing station in patient exam _____ not equipped with "wrist blades". The findings include: Interview with the Administrator/Owner of the facility on 4-25-13 at approximately 12:30 PM revealed that the facility provides second trimester abortions. Observation of the Patient Exam/Procedure _____ approximately 12:30 PM on _____ revealed that the sink in the hand washing station was equipped with 2 faucet handles, and in order to turn on the faucet, the 2 faucet handles must be grasped and turned by hand. (Therefore staff member's hands may be contaminated prior to abortion procedures). The Administrator/Owner stated that she had no knowledge regarding the AHCA (Agency for Health Care Administration) mandate for hand washing stations to be equipped with "wrist blades", during the above mentioned interview.	A 100	POC for station Prefix A-100 Hand washing station in Patient exam room has been replaced with automatic faucet sensor sink which automatically dispenses water by hand motion. 5/24/13.

Administrator
Miramar Woman Center
6161 Miramar Pkwy Suite 300
Miramar, FL 33023

Dear Administrator:

This letter reports the findings of a state licensure survey that was conducted on _____, 2013 by a representative of this office. Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit.

Please provide a plan of correction to this Field Office, in accordance with enclosed instructions, for the identified deficiencies **within ten calendar days of receipt of this faxed report**. You will not receive a copy of this report in the mail, you will only receive this faxed report. **All deficiencies shall be corrected no later than _____, 2013.**

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the representative. Should you have any questions please call this office at (561) 381-5840.

Sincerely,

A handwritten signature in black ink, appearing to read "Arlene Mayo-Davis".
